Elephant's Graveyard

Synopsis: In September of 1916, Sparks Circus set up tent in the small town of Erwin, TN - culminating in a shocking and morbid circus act. Combining historical facts and legend, Elephant's Graveyard explores the deep-seated American craving for entertainment, violence, and revenge, while asking the audience how far will they go for spectacle?

About Milestone Theatre Co.

Milestone is Pasadena's Premiere Theatre Company dedicated to the independent artist. Participation in Milestone's productions takes discipline and determination. Every active member must have a personal artistic goal and we will help them reach their goal. Using our productions as educational platforms, members use their skills to evolve and advance further in their artistic careers. Milestone provides genuine support and produces performance artists as much as it produces performance arts.
